

2018 Sponsorship Opportunities

The perfect way to showcase your company to our membership and conference participants

The Virginia Association of School Librarians (VAASL) has a membership of over 1200 school librarians many of which are district level supervisors with large purchasing budgets and decision makers for the largest school systems throughout Virginia. We anticipate more than 800 will participate in this year's Fall Conference in Williamsburg.

Mix and match any options below to reach your desired sponsorship level (i.e. Official Sponsorship of a General Session plus a full page ad in the conference program = Gold Sponsorship). Gold Sponsorship is only \$1500 and gives you the best exposure before, during and after the conference.

\$1500+ Gold: Includes your logo presented Full-Screen during the Opening General Session, conference signage, preferential consideration when booth assignments are made, top billing in the Conference Program, and promotion on the VAASL Website.

\$1000-\$1499 Silver: Includes your logo presented Quarter-Screen during the Opening General Session, conference signage, preferential consideration when booth assignments are made, sponsorship recognition on VAASL Website and in the Conference Program.

\$500-\$999 Bronze: Includes conference signage, preferential consideration when booth assignments are made and sponsorship recognition on VAASL Website and in the Conference Program.
