

**Virginia Association of School Librarians  
2020 Virtual Conference  
November 6, 2020**

What a year this has been for everyone! As we strive to accommodate the “next normal,” VAASL is hosting its first Virtual Conference on November 6, 2020. We cannot wait to get our VAASL community together for some professional development, sharing and fun!

This will be the perfect opportunity for you, our vendors, to demonstrate your support and how you can help our constituency. VAASL has strived to make sure our attendees are given free times to visit vendor sites. We are also offering exhibitor sponsorships that allow you to have special recognition with a brief introduction during the actual live/recorded event sponsored, as well as on our website/social media sites.

**Your sponsorship will put you front and center during the conference and beyond.**

**Concurrent Session Sponsor:** \$200.00

Introduce your company for 2 minutes prior to one of our concurrent sessions (12 opportunities).

**Keynote Session Sponsor:** \$500.00

Introduce your company for 2 minutes prior to one of the keynote sessions (2 opportunities).

**VAASL Sponsor:** \$1000.00

Introduce your company during the opening or closing general session and continue to receive year-round exposure at various VAASL events (2 opportunities).

All sponsors will receive special mention on our web and social media sites.

Sponsorships are available on a first come basis and can be paid for as part of your registration.

We look forward to working with you!
