Friday Night Awards Banquet with Candace Fleming*

VAASL is excited to welcome the author Candace Fleming as our guest speaker at the Friday night awards banquet. Candace is the versatile and acclaimed author of more than forty books for children and young adults, including the *Los Angeles Times* Book Prize honored *The Family Romanov: Murder, Rebellion, and the Fall of the Russian Empire*; Boston Globe/Horn Book Award-winning biography, *The Lincolns*; the bestselling picture book, *Muncha! Muncha! Muncha!*; the Sibert-Award-winning *Giant Squid*; and the beloved *Boxes for Katje*. She contributed the chapter on Katharine of Aragon to *Fatal Throne*.

This year, attendees will be able to choose between two entrees: *Lemon Rosemary Statler Chicken* (a boneless skin on chicken breast/drumette) with Chablis deglazing sauce and *Garlic Butter Steelhead Trout* (similar to salmon) with tarragon cream. Both entrees will be served with a strawberry spinach salad, savory spinach soufflé, Boursin whipped russet potatoes and Limoncello Cheesecake for dessert. Join us as we celebrate the LOY from each of our regions and recognize our Virginia Librarian of the Year.

Saturday Breakfast and Author/Illustrator Panel with Rafael Lopez, Allan Wolf and Sandhya Menon*

The Saturday Breakfast and Author/Illustrator Panel is back again for 2019! Our three special guests represent a variety of global literary crafts including illustrations, novels and poetry. Their life experiences are equally diverse. You won't want to miss these creative people getting to know each other and opening up to us about their crafts.

Prepare yourself for a fun and energetic morning as you get to know our guest speakers:

Rafael Lopez's illustrations are bright with colors inspired by growing up in Mexico City. He has illustrated many picture books, including *The Day You Begin* by Jacqueline Woodson, and *Drum Dream Girl* by Margarita Engle.

Readers of **Sandhya Menon's** *When Dimple Met Rishi* are anxiously awaiting her next book, *There's Something About Sweetie*. Sandhya writes books that show "the beautiful melting pot I live it" (Menon, 2018. <http://www.sandhyamenon.com/faq/>) and are sure to include an Indian-American main character.

Allan Wolf grew up right here in Virginia, just over the mountain in Blacksburg! A poetry slam enthusiast, Allan's newest book of poetry, *The Day the Universe Exploded My Head: Poems to Take You into Space and Back Again* is sure to be a hit with students! Maybe we will convince him to recite one of the thousands of poems he has memorized – poetry slam style, of course.
